ABOUT CAMP SUNSHINE

Founded in 1984, Camp Sunshine provides retreats combining respite, recreation and support, while enabling hope and promoting joy, for children with life-threatening illnesses and their families through the various stages of a child's illness.

Camp Sunshine's program is offered year-round and has the distinction of having been designed to serve the entire family in a retreat model. The program is free of charge to families and includes on-site medical support. Bereavement sessions are also offered for families who have experienced the death of a child from a supported illness.
